† possible fuel surcharge could apply

The aircraft listed are owned and operated by Canadian Warplane Heritage “Canada’s Flying Museum”. The fees collected are used to support the museum and maintain the collection.

### **Travel and Appearance Fees**

Travel fees per flight time hour include fuel and oil and will be calculated as follows:

Distance (nm) ÷ Cruise Speed X (Cost /Hour) *i.e.* 600nm ÷ 160 knots = 3.75 X (\$2500) = \$9375.

### **Deposit and Fees**

A deposit of 50% of the quoted rate is required 30 (thirty) days prior to the event. The balance of the account must be settled prior to departure at the end of the show. All deposits will be fully refunded if the aircraft is unable to appear due to unforeseen circumstances *i.e.* weather, mechanical malfunction, change in crew availability status, etc and no cancellation penalty will be applied to CWH.

### **Aircraft Tours**

The aircraft will be open for tours (if applicable) for a suggested donation when it is on the ground and secure. Tour donations help with the maintenance to keep the aircraft flying. The aircraft interiors are not handicapped accessible. An additional fee of \$3000. per aircraft per day will be added to the total charges if aircraft tours cannot be conducted.

### **CWH Store Sales**

The proceeds of all CWH Store Sales go to support the museum. If CWH Store Sales are not approved an additional fee of \$3000. per day will be added to the total charges. Only multi-engine aircraft require access to CWH Store Sales.

### **CWH Aircrew Accommodation & Transportation**

Crew accommodation in hotels with ratings of 3 stars or more are acceptable. Accommodation details must be provided to CWH at least 7 (seven) days prior to arrival. Transportation vehicle(s) are required for all aircrew.
