## Model Builders Workshops

**March Break**

March 15, 16, 18, 19, 2010

### Modeling Mania (Ages 9 and up) - Plastic

Daily from 10:00 a.m. to 3:00 p.m. (Extended hours available)

Join us for a really fun day building aircraft models in our hangar workshops. For the modeller who prefers scale model aircraft, a plastic airplane kit is provided along with all the necessary supplies to build and paint a complete aircraft.

FEE FOR THE DAY INCLUDING AIRPLANE KIT AND ALL ASSEMBLY SUPPLIES  
\$39.00 (+ \$1.95 GST) per person, lunch included – maximum 20 persons

### Pine Power (Ages 11 and up) - Wood

Daily from 10:00 a.m. to 3:00 p.m. (Extended hours Available)

For those who are interested in acquiring woodworking skills, learn how to build a wooden aircraft from block wood. Under the supervision of adults, learn to safely operate woodworking machine tools such as a scroll saw, belt sander, drill press and a drum sander.

FEE FOR THE DAY INCLUDING AIRPLANE KIT AND ALL ASSEMBLY SUPPLIES  
\$39.00 (+ \$1.95 GST) per person, lunch included – maximum 15 persons  
*Woodworking tools provided by Delta Porter Cable Tools*
